howsoever caused to any occupier or visitor to the property. All such persons are advised to take care that such injury is not caused by equipment. It is to be noted that proper precautions should be taken in relation to the tiled floors which are in common use in South Africa and it should be ensured that these are kept dry at all times to prevent accidents. All members of the party are advised to take full medical and accident insurance to cover all eventualities and this Contract is accepted by the owners on that basis.

4. Mrs. G.S. Martin has instructed the Management to check that persons named in the booking contract are those actually occupying the property. We regret having to reserve this right but, unfortunately, the occupation of our properties in the past has been abused.
